

PRESENTS

SUMMIT

ON BUILDING A BETTER WORLD

24th - 26th JUNE 2021

EVENT OVERVIEW

(CNJU) Coding Ninjas JECRC , JECRC University , is going to organize an AI Summit-2021 for our tech enthusiasts and learners to provide them a opportunity to learn about new technologies

We aim to guide those students who are interested in artificial intelligence and machine learning and want to pursue a career in the field professionally. We will provide brief learning and understanding to those ingenious minds and apart from that we want to expand the ideology of AI to those who don't know much about the domain.

ABOUT JECRC UNIVERSITY

JECRCTM
UNIVERSITY
BUILD YOUR WORLD

JECRC University has its campus in Jaipur the capital city of Rajasthan and the famous tourist and business city in north-western India.

The 32-acre JECRC campus combines unique classical architecture and thoughtful layout and landscaping to create a perfect learning ecosystem.

The campus is located around the prime industrial and institutional hub of Jaipur and is well connected with all parts of the city.

JECRC University is driven by the spirit of innovation-led research. This is spelt out in infrastructure as well as practices.

The multifaceted research encompasses subject-specific exploration as well as the contexts of the business environment in which our students will operate and perform. JECRC is known for a strong research culture and close industry linkages.

JU aims at creating valuable resources for industry and society through its interventions in the creation of research and innovative culture, academic and professional enhancement and cultural enrichment.

ABOUT CNJU

CNJU(Coding Ninjas JU) is a student driven community powered by Coding Ninjas Itself, It is started to help the students gain technical and non-technical skills.By joining us students improve their professional and personal networks,get access to Coding Ninjas resources and work together to find solutions for problems in an innovative learning environment.

AIM

Aim of the event is to invoke the spirit Artificial Intelligence and machine learning in this new era of Technology and provide students with an opportunity to kick start their career in the domain of AI and ML and gain the knowledge on most of the The topics related to domain and then learn to implement them on your own with the help of the guidance

WHAT MAKES AI SUMMIT-21 SPECIAL?

- CNJU-AI Summit-21 will be India's first ever AI summit which will be totally focusing on educating with the new technologies that we look ahead in our future through the help of AI & ML from this we will learn about Artificial intelligence and all the roots under it and everything else about AI & ML that you don't know.
- The AI Summit will be featuring many renowned and famous industry tech gurus which will be helping the students valuable guidance to them to have a brief knowledge on the topic and moreover they will be sharing their life stories and what drove them in the world of digital environment .
- CNJU's AI Summit is absolutely free for all students so that there is no financial barrier for any of them. We aim to teach students so that they can be whatever they want.
